Dear Day of Champions Tournament Participants,

Teams will be listed on the FCSA website at: [www.okfcsoccer.com](http://www.okfcsoccer.com) that are entered into the 2009 Day of Champions Recreational Tournament. Seeding, bracketing and scheduling will be done over the day or so. Schedules will be posted on the FCSA website on or about Wednesday, May 6<sup>th</sup>. Host venues this year are North OKC and NW Optimist. Maps and directions will be posted on the website. Team check-in will be at the venue of your first game – at least one hour before your first game time. A reminder that ***official signed and stamped spring 2009 rosters*** are due at check-in. ***No rosters with handwritten names or birth dates will be accepted.*** Age divisions are determined by the **oldest player** on the roster. Official signed and stamped player passes are required for all traveling recreational teams. Jersey numbers must be documented on all rosters. Rosters are frozen as of 4/1/09. As stated in the tournament rules, failure to provide required fees and rosters will result in forfeitures. Any team that does not play all scheduled matches will forfeit their performance bond. A reminder that **GUEST PLAYERS ARE NOT ALLOWED** in this tournament. Please download and print the complete rules from the FCSA website at: [www.okfcsoccer.com](http://www.okfcsoccer.com). We pride ourselves on running a fair tournament and would like to give all coaches and teams fair warning that we will be performing roster checks at pool games, semi-final and final games during the tournament. Any team found to have illegal player(s) will forfeit all games and be disqualified from the tournament. Referee fees are payable in correct cash before each game. Referee fees are listed in the tournament rules.

We are looking forward to a fun and fair tournament this year.

Respectfully yours,

**Brett Dobie**
