

Day of Champion Tournament

MAY 14-16

Deadline – April 30th

\$125 Entry Fee per Team (plus referee fees)

\$75 For U6 Festival

\$100 Performance Bond per Team

FCSA Day of Champions Recreational Tournament is open only to FCSA club teams. The intent of the Day of Champions is to determine the champion team, in each age division, within Frontier Country. We hope you will consider participating in this fun, fair and well-organized tournament. Several area clubs will be host sites this year.

As you might know, proceeds from this tournament go toward the FCSA College Scholarship Program for qualified, graduating high school seniors. Players from any club within FCSA may apply for the scholarship. Last spring thirty two recipients received \$10,000.00 in scholarships that were paid directly to the school of their choice. In the past nine years over \$100,000.00 in scholarship money has been given out. **Volunteers from ALL FCSA clubs are needed to run this tournament.** Please contact your club representative or the tournament director for more information.

Each FCSA club may submit one team in each age division per four teams (or part of). For example, a club with nine teams of U8B would be allowed to submit three teams in the U8B division. Clubs may also submit wildcards and those will be drawn out of a hat, as needed, to fill brackets. Under 6 (festival format) through Under 19 teams are invited. Teams play in their true age division regardless of where they play in league. Pure age divisions will be formed when numbers allow.

Complete tournament rules and referee fees are posted on our website listed below. Clubs are responsible for submitting applications, entry fees and bond fees to FCSA for each of their club teams on or before the deadline. Rosters are frozen as of April 1st. Referee fees are payable in cash at the start of each game.

NO GUEST PLAYERS ALLOWED. We are looking forward to another successful Day of Champions Tournament. Thanks for your support!

Brett Dobie, FCSA Tournament Director
