Lots of complaints about coaches and parents. This includes racial slang.

Remind ALL coaches and parents we are here for the KIDS. We will not tolerate this kind of action. Not needed – this is a game for the kids.

We need to keep the game safe and fun for kids. We need to show the right example. We need to show them a safe place. If you are at a game and see things getting out of control please take action before it gets too far.

OPL will go back to 8 teams per division in Spring.

Statewide and second league will be on hold.

Venue problems and scheduling set in.

OPL for spring will not have U15 and above – only state tournament. Only games would be after high school.

Office administrator: Paulette Price

All quiet at this time.

Referee Coordinator: Gail Nash

After the game – the referee is still in control until all players have left the field.

Problems are wide spread.

If we can find the parents – we need to ban them. This starts at the team level. If the coach needs to take care of the parent, please take care of the game.

Take action – don't let it get out of hand.

On games seems like referees are getting a little lax on checking rosters and passes.
