President’s Report: Keith Ward

*Hurricane scheduled a tournament the same day as the Oklahoma Cup and need to contact them about why they scheduled a tournament the same weekend.

*Teams that have requested to host the Day of Champions are: Midwest City, NOKC, NW Optmist and El Reno has fields available for U12 and under.

*Discussion continues on working out the details for the paid Tournament Director position. A suggestion was to only pay this person to promote the Oklahoma Cup and then he/she would volunteer their time for the Day of Champions. The Oklahoma Cup is viewed right now as a B-team tournament and with the paid position it is hoped to bring the tournament up to an A-team level status.
