Hurricane scheduled a tournament the same day as the Oklahoma Cup and they were contacted and they did not seem to think it would affect the Oklahoma Cup but would look into finding another date for their tournament.

Teams that have requested to host the Day of Champions are: Midwest City, NOKC, NW Optmist and El Reno have fields available for U12 and under. Midwest City was selected as the host club for the Day of Champions.

Schedules are good.

Referee Coordinator: Gail Nash

A record number of referee assignor's attended the Midwest City Tournament to assist the new referees in their training. Seemed to work out pretty well that they were there but referee assignor's should let tournament directors know in advance they are coming and should not delay the flow of games.

Local Club News:

Harrah – Doing some sod work.

Noble – Trying to find fields to play on for teams in the Purcell, Lexington and Washington area. Working with the Jr. High for a field. They need goals and other soccer equipment. They are doing fundraisers and did have a good turnout at registration.

El Reno – Needing fields for U10 and below for recreational games. Working to play at Southlakes.

Midwest City – Reporting more kids coming into the club.

Old Business:

None

New Business:
